ABOUT

With creative solutions becoming as commercial as can be nowadays, we take pride in maintaining our loyalty and precision. Having enough integrity and family-like bonds with our clients is what actually keeps us going and differs us from the rest.

At Kray8 , We Like to Create. We view things from beneficial perspectives. We're absolutely convinced that marketing is an essential tool for every company's success.

But we won't just leave it there, our team has enough skills and experience to walk you through the entire journey. With not just providing creative solutions along with marketing and business consultancy, we are also the mediators between our client and the suppliers.

Our team does the research , deal negotiations, and presents you with the most suitable proposal.

We guarantee to be your most reliable and convenient experience in wholesale supply purchases as we put ourselves in every client's situation and tailor our work to best fit their needs.

We continue to take your success as part of our's and vow to always be your favoured professional partner.

SOCIAL MEDIA & ARTWORK

Whether it's putting your imagination into reality with fully customizing a design or creating a new identity for a brand you already have , we can do it!

Our designers and social media specialists can collaborate to create and manage your social media accounts on a regular basis yo save you the hassle of employing your own staff.

We have several affordable monthly offers for social media management which include ads + posts and can be obtained by a mutual contract agreement between Kray8 and your business.

PHOTOGRAPHY & CREATIVE MEDIA

Experienced photographers and stylists not only have the latest camera gear and lighting equipment at their disposal, they usually have years of experience and know how to draw on.

So when things go wrong, the client is frantic, and deadlines fast approaching the pros are more likely to get it done.

And don't forget, you are not just taking a picture, you are telling a story. Don't you want your story the best that it can be?
